MEMORANDUM FOR THE RECORD

Morning Meeting of 31 July 1968

X1 ADD/I advised that a preliminary assessment of the photography of [] SR-71 flight over North Vietnam indicates good coverage of the Hanoi-Haiphong area and an increase of from five to ten MIG-21's in North Vietnam.

D/ONE noted that the Chinese general forces Estimate is ready for USIB.

D/ONE noted that Paul Warnke has asked for quantification of some of the statements made in SNIE 11-13.

The Director asked the DDCI to look into the matter.
